RE: CSRBA CLAIMS 95-4274, 95-4275, 95-4277, 95-14007, 95-14008, 95-14021 & 95-14022

Dear Mr. Brewster,

I am reviewing the above listed CSRBA claims and preparing the recommendations for the court. **The claims lack sufficient information to accurately locate the springs, wells, stock troughs and ponds, and the houses as claimed.** Enclosed are two aerial maps for your use. Would you indicate the location of features mentioned above? If you would like to use additional maps that would be fine. Also enclosed are proof reports of all the claims as you filed them.

Once the maps are marked with the locations of these items will you return them to me in the pre-paid envelope? Without this additional information your claims make not be accurately reported to the court.

Feel free to contact me on these issues via phone, email or mail.

Sincerely,

STEVE CLELLAND

Sr. Water Resource Agent
