RE: CSRBA CLAIM 95-4628

Dear Mr. Mulvey,

According to records with the County of Kootenai, you now own the parcel number 017400000070. If this is correct and you are the new owner, it is necessary for you to complete the enclosed Change of Ownership form. This will allow me to list you as owner of the water right claim previously filed by John Sestero.

Please complete and return the Change of Ownership form to update ownership of this right.

Also, although the change of ownership form requires a map, you need to **submit a map that shows the location of the spring** as claimed in this water right. If the spring is a shared system, please describe the water system as it is used. Without this additional information your water right may not be recommended correctly.

Feel free to contact me on these issues via phone, email or mail.

Sincerely,

STEVE CLELLAND

Sr. Water Resource Agent
