Regarding:

Case No. 39576

Subcase No. 65-04034

Mr. Booth,

I am writing to convey my concerns regarding this case. I am not sure I understand the purpose of this request but am assuming that my neighbor, Nellie Labrum, is petitioning to take sole ownership of the water rights to the Haney Spring.

I am not willing to relinquish my claim to the Haney Spring. It is true that I have a well on my property however I still use the spring water.

I will be involved in this hearing, either in person or via the conference call.

Please let me know if I need to provide further information.
