

AMENDED DIRECTOR'S REPORT

Subcase No. 93-7388

In Re CSRBA

Twin Falls County Civil Case No. 49576

Report to the CSRBA District Court

Prepared by the Idaho Department of Water Resources
Gary Spackman, Director
Carter Fritschle, Manager, Adjudication Section

July 16, 2015

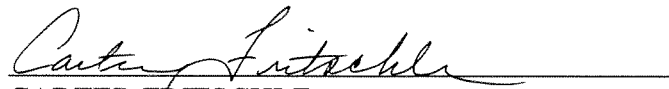

DESCRIPTIVE SUMMARY

This is an Amended Director's Report submitted by the Director of the Idaho Department of Water Resources ("IDWR").

DISCUSSION

On April 29, 2014, Ted Lacy filed a *Motion to File Late Notice of Claim* for water right subcase no. 93-7018. During review of the claim for water right subcase no. 93-7018, it was determined this late claim overlaps in part with water right claim 93-7388, a water right already claimed and recommended on March 27, 2014, in the CSRBA in the name of Ted Lacy. The Court found good cause existed for granting the *Motion* for water right subcase no. 93-7018, provided, and upon the condition, that IDWR may issue an amended recommendation for water right claim 93-7388 that takes into account the late claim for water right subcase no. 93-7018.

Therefore, the Director submits for filing with the Court, an Amended Director's Report for water right subcase no. 93-7388 (see attached print-out).

CARTER FRITSCHLE
Manager, Adjudication Section
