TELEPHONE MEMO AND MEMO TO CLAIM FILE

TO: CLAIM FILE NOS. ~~63-31072~~ AND 63-31073
FROM: VICKY L MUSIC, WATER RESOURCE AGENT, IDWR / WESTERN
REGION
SUBJECT: SRBA CLAIM ANALYSIS/ DESKTOP REVIEW
DATE: 9/15/2004
CC:

I received a phone call yesterday from Gretchen LaPointe in response to an evidence of priority letter I sent for the 7/1/1965 priority date of 63-31072. The owner of the water right and property is Deer Valley & Alusians, Inc., and Richard Roe [claimant] is no longer involved in the business. This is a small business – she boards horses and teaches riding. There is a fairly new barn/office and an outhouse. She will do a change of ownership.

Gretchen said that she has spoken to people familiar with the site. She said that Lillian and Marvin Barnes owned the property and drilled the well. The property has in the past been leased by Blessing for stockwater use. Scott Kimball is familiar with the property indicated that he thought the well went in about 1968. Someone told her that they went to the IDWR archives and found the well log. I told her I would look again.

I looked in the well logs file and microfiche again. There is no information for this well. Another "Barnes" had drilled a well in an adjacent QQ in the 1960s. I left a phone message for Gretchen yesterday afternoon and today relaying this information and requesting a statement from someone with knowledge of the site, and telling her that I was mailing her a change of ownership form and parcel map. I asked that she return call to me, and mark on the map the location of the well.

RE: EVIDENCE OF PRIORITY

Snake River Basin Claim No(s): A63-31072 AND A63-31073

Dear Claimant(s),

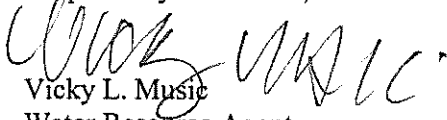

YOU MAY BE THE OWNER OF THE WATER RIGHT CLAIMS REFERENCED ABOVE. In the past, RICHARD ROE submitted the above referenced claim(s) during the Snake River Basin Adjudication (SRBA) claims taking. Enclosed is a computer generated print-out of the claim(s) for your reference only, it is not necessary to return this print-out or re-file it. RICHARD ROE indicated, when this claim was filed, that the water right(s) was based on either a "Statutory Claim" or "Beneficial Use" of the water. Water rights of this type are established by historical use of the water for a beneficial use purpose, dating back to the time the water was first used; this date being the "Priority Date" as shown on the enclosed print-out. This claim(s) has not been confirmed by a previous filing with the Department of Water Resources since there is no decree, license, or permit on file to verify the use of this water. For this reason, the Department is required to gather evidence from claimants supporting the date of priority for claims based on historical beneficial use of water.

Enclosed is a pamphlet entitled "**Evidence of Priority**" which describes why evidence of the priority date is necessary, along with examples of types of evidence that can be submitted to fulfill this requirement. While I encourage you to read the entire pamphlet, I direct your attention to the two sections entitled "**What Kind of Evidence is Required**" and "**Some Examples of Documents Which May Be Evidence of the Priority Date.**"

If no evidence of your priority date is submitted, or we do not hear from you within the time limit below, your priority date, as claimed, may not be recommended to the SRBA court for decree. This could jeopardize your water use under this right(s) if water availability problems arise in the future.

The required evidence supporting the priority date(s) requested needs to be submitted by September 24, 2004. Additionally, if you are the owner of these water rights, Idaho Statute requires that a change of ownership be filed with IDWR within 120 days of the property transfer. Please call IDWR for the appropriate forms. Please let me know if you may not be able to submit proof of priority or have any questions not covered by this letter and the enclosed pamphlet, by the date indicated above.

Respectfully Submitted,

Vicky L. Music
Water Resource Agent
Adjudication Bureau

Enclosure: "Evidence of Priority" pamphlet
Notice of Claim Reports A63-31072 AND A63-31073

NOTE: If you no longer own the property upon which this claim was filed, please contact this office immediately. Idaho State law requires that the Department be notified of a change of owner or address on a water right.
