RE: Evidence of Priority Date Claim No(s): 95-14983

RESPONSE DEADLINE
DATE: AUGUST 31, 2015

Dear Mr. or Ms. Dupree:

The Notice of Claim to a Water Right identified with the number shown above has been filed in the Coeur D'Alene-Spokane River Basin Adjudication. The claim indicates your water usage is based on "Beneficial Use". Water rights of this type are established by the historic use of water, dating back to when water was first used for the purpose claimed, and are termed beneficial use rights. The date of first use, known as the priority date, has not been confirmed by a License, Decree or Permit. Since the priority date and historic use of a beneficial use right cannot be confirmed by field examination, proof must be provided by the claimant supporting the priority date claimed and the historic use of the water.

Enclosed you will find the pamphlet entitled "Evidence of Priority". The pamphlet describes the types of evidence required and suggests which documents will fulfill this requirement.

Please submit the required evidence supporting the priority date and the historic use by the date shown above, to my attention. Feel free to contact me if you have any questions. I can be reached at (208) 762-2802 or by email at linda.werner@idwr.idaho.gov.

Sincerely,

Linda A. Werner
Water Resource Agent
