Good afternoon Mr. Dickson. Our office received the change in Address form you sent in regarding CSRBA Water Right Claim No. 95-12859. Some clarification is needed before this change can occur.

On the Change in Address document you listed LMB Properties at the new address; however, your name is listed as the current claimant for Claim No. 95-12859. If you would like to change ownership of this claim to LMB Properties, you will need to fill out a Notice of Change in Water Right Ownership form and send the signed original to our office at the address noted below. If you would like this claim to remain in your name, please notify me and I will complete the necessary address change using the previously submitted document.

Please contact me if you have any questions or concerns. Thank you for the help.
