Re: **DISABILITY DEFERRAL**
Estate of DOROTHY M. SMITH

Dear Mr. Smith:

In accordance with Idaho Code 56-218, and IDAPA 16.03.09.905.01, the Department of Health and Welfare will not pursue recovery of an estate when there is a surviving child who is blind or permanently and totally disabled as defined in 42 U.S.C. 1382c. You have provided documentation indicating that you have been determined to be disabled by the Social Security Administration. Therefore, the Department will defer (delay) recovery of its Medicaid estate recovery claim from the above referenced estate while you remain disabled.

A Notice of Lien has been recorded in Kootenai County as Instrument No. 2471854000. If you intend to transfer ownership of the property located at 33488 E. Dudley Road in Cataldo, Idaho, you must contact our office before taking any action.

We encourage you to speak with an attorney for legal advice. If you would like to make a voluntary payment, or if you have any questions, please contact my paralegal, Stacey Genta, at (208) 332-7984.

Sincerely,
