Gloria,

Thanks for meeting with me last week and discussing your concerns with the preliminary recommendation of 94-7558.

We discussed recognizing the second home that was served by the well up until 2010. Your original claim only claimed use for one home so at the meeting, you amended claim 94-7558 to show use for two homes.

I have updated the database and prepared an "Updated" preliminary recommendation that recognizes use for two homes.

Please look over the recommendation and let me know if you have any other questions. If everything is ok, then no further action needs to be taken on your part. In the next mailing you get, your recommendation will look like what is attached.

Respectfully,

P.S. Actually, could you drop me a quick e-mail reply when you get this just so I know you got it? Thanks.
