RE: Ownership of Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim No. 95-2213
Renumbered CSRBA Claim No. 95-10430 to Claim No. 94-9416

Dear Water Right Claimant(s),

We received your Notice of Change in Water Right Ownership form with supporting documentation for CSRBA Claim No. 95-2213 and have updated our records accordingly. Enclosed are a copy of your amended CSRBA Notice of Claim to Water Right, and also a printed copy of the mapped parcel location so you may review the documents to confirm the accuracy of the updated information.

We have also renumbered CSRBA Claim No. 95-10430 to correctly reflect its location in Basin 94. The new number for this claim is 94-9416. I have included a copy of the preliminary recommendation for this claim so you may review the document to confirm its accuracy. The listed claimant for Claim No. 94-9416 is Muhs Living Trust, which based on other submitted documents appears to be incorrect. I have enclosed a Notice of Change in Water Right Ownership form that can be used to correct the claimant name. If submitting this change, please also include a copy of the signed warranty deed reflecting current ownership of the property. The preliminary recommendations in this basin will soon be filed with the CSRBA Court so any necessary corrections to the claim will need to be completed prior to September 30, 2015. If you believe all the information on the recommendation is correct, no further action will be needed from you for your Basin 94 claim.

Please contact me if you have any questions or if any further changes need to be applied to your claim. I can be reached by phone during business hours at 208-762-2800 or by email at evan.roda@idwr.idaho.gov.

Best Regards,
