RE: Ownership of Water Right 93-7451 and 93-7452

Dear Ms. Osterberg:

Thank you for advising us that there may be an ownership change for the water right claims referenced above.

When a change of ownership involving a water right occurs, a Notice of Change in Water Right Ownership form is required. I've enclosed a form which may be used for this purpose. Upon completion of the sale, please return the completed form along with the required support documentation to our Boise office located at: IDWR State Office, PO Box 83720, Boise, ID 83720-0098.

Also, there is a fee for the ownership change; it is \$25.00 for each undivided water right or \$100.00 for a split water right. An example of a split right is a right that has water usage for two homes, where one of the homes is sold. The right is usually split proportionally.

If you have any questions regarding this matter, feel free to call me at 208-762-2802.

Sincerely,

Linda A. Werner
Water Resource Agent, Sr.
