1. Describe the portion of the proposed recommendation with which you disagree (e.g. priority date, period of use, source):
Place of use and Map - The place of use is the Sather Field Complex (the football fields) and Wellman Field (the Baseball Park). The map needs to include the Sather Field Complex in the Place of Use Boundary. I have enclosed a copy of your Adjudication Recommendation with the redrawn boundaries in red.
2. Describe the changes you wish to make in the proposed recommendation:

See attached highlighted map.

3. Give a brief explanation as to why you disagree with these portions:
As set forth in the Notice of Claim dated August 3, 2010, irrigation water is used at the Sather Field Complex and Wellman Field. Domestic water for the Sather Field Complex and Wellman Field is supplied by East Shoshone County Water District. The irrigation water supplied by the School District's well is used (continued below)

 I AGREE with this proposed recommendation; no changes need to be made.

The place of use is on both Shoshone County Parcel No. RP0290500000-10 and Shoshone County Parcel No. RP0290500000-20.
