RE: Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim No. 94-7503

Dear Claimant,

The Idaho Department of Water Resources has received your Notice of Error Reply for Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim No. 94-7503. We are unable to submit the updated recommendation of your adjudication claim at this time for the following reason.

The Notice of Claim to a Water Right identified with the number shown above has been filed for the irrigation of up to one acre. The claim form submitted (42-1409-2) is only to be utilized for domestic and stockwater purposes. Water right claims for irrigation uses must be submitted on claim form 42-1409-1.

I am sending you an Amended CSRBA Notice of Claim to a Water Right for Claim No. 94-7503 on the appropriate claim form. Please review the claim form, and if you wish to make any further changes, initial those changes before signing the claim. A parcel map is also included with the water right claim form. Please mark on the map where all irrigation is taking place. After your review, return the signed claim form along with the marked location map to our office at the address listed above. As our time is growing short in Basin 94, I also ask that you return the signed claim form to us before September 30, 2015.

Please do not hesitate to contact me if you have any questions. I can be reached by phone during business hours at 208-762-2800 or by email at evan.roda@idwr.idaho.gov.

Best Regards,

Evan W. Roda
