RE: Notice of Error Reply for Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim No. 94-7004

Dear Claimant,

The Idaho Department of Water Resources has reviewed the Notice of Error Reply for the above referenced water right claim. We are unable to make the requested changes to the water right claim recommendation for the following reasons.

The Notice of Claim to a Water Right dated August 3, 2010 was filed on the basis of Water Right License No. 94-7004. This license was issued pursuant to the Application for Permit filed by Wallace Little League, Inc. dated November 20, 1968 with proof of beneficial use submitted March 14, 1974. The license was issued for the irrigation of 1 acre with the place of use described therein as the NE1/4SW1/4, Sec. 21, Twp. 48N, Rge 4E, B.M. in the County of Shoshone. The place of use described and mapped in your Notice of Error Reply is significantly greater than what is lawfully allowable under this water right. If additional water from the licensed point of diversion is to be applied to a location other than that which is described above, you will be required to file an Application for Permit.

The change in address noted on your reply cannot be processed until a Change in Address of Notice of Claim form is submitted. I have enclosed this form for your convenience. Please sign and return the change in address form to our office at the address listed above before September 30, 2015.

If you have any questions, please contact our adjudication staff at the Northern Regional Office during business hours at 208-762-2800.

Sincerely,

A handwritten signature in black ink, appearing to read 'Evan W. Roda'.
