Re: Letter of July 20, 2015 containing preliminary recommendations of water rights

Dear Mr. Spackman,

I am writing on behalf of Mr. John M. Brewster of Harrison, Idaho, who received a letter from you dated July 20, 2015 together with IDWR's preliminary recommendations for reporting his water rights claims for the Coeur d'Alene-Spokane River Basin Adjudication.

Mr. Brewster disagrees with the initial findings and conclusions contained in some of the preliminary recommendations, because the information contained in these recommendations differs from information contained in the Notices of Claim to a Water Right for these water rights. My client appreciates the opportunity to correct the public record.

Accordingly, enclosed with this letter are Notices of Error for the preliminary recommendations that were sent to Mr. Brewster on July 20. Please let me know if you have any questions or desire further information. Thank you for your assistance.

Sincerely,

Arthur B. Macomber
Attorney at Law
