HARRISON ID 83833-0053
Telephone number: (208) 659-2388

1. Describe the portion of the proposed recommendation with which you disagree (e.g.) priority date, period of use, source):

I disagree with the proposed recommendation's statements of quantity, priority date, points of diversion, and places of use.

2. Describe the changes you wish to make in the proposed recommendation:

I wish to change the above portions of the proposed recommendation so that it matches the Notice of Claim to a Water Right for this water right number.

3. Give a brief explanation as to why you disagree with these portions:

The proposed recommendation states that the quantity is 0.020 CFS, but the Notice of Claim states that quantity is 0.030 CFS. The proposed recommendation states that the quantity of water under this right shall not exceed 13,000 gallons, but this restriction is not included in the Notice of Claim. The proposed recommendation states that the priority date of the water right is 1/12/1911, but the Notice of Claim states the priority date is 1/1/1906. The points of diversion listed on the proposed recommendation and the Notice of Claim do not match. There is one place of use listed on the Notice of Claim but not listed on the proposed recommendation.

 I AGREE with this proposed recommendation: no changes need to be made.
