HARRISON ID 83833-0053
Telephone number: (208) 659-2388

1. Describe the portion of the proposed recommendation with which you disagree (e.g.) priority date, period of use, source):

I disagree with the proposed recommendation's statements regarding quantity, points of diversion, places of use, and tributaries.

2. Describe the changes you wish to make in the proposed recommendation:

I wish to change the above portions of the proposed recommendation to match the statements in the Notice of Claim to a Water Right for this water right number.

3. Give a brief explanation as to why you disagree with these portions:

The proposed recommendation states that the quantity is 0.020 CFS, but the Notice of Claim states that it is 0.030 CFS. The proposed recommendation states that the quantity of water under this right shall not exceed 13,000 gallons per day, but this restriction is not included in the Notice of Claim. The Notice of Claim has one additional point of diversion that is not listed on the proposed recommendation. The Notice of Claim has four places of use that are not listed on the proposed recommendation. The proposed recommendation lists "Blue Lake" as the only tributary, but the Notice of Claim also includes "Unnamed Stream" and "Sinks" as tributaries.

_____ I AGREE with this proposed recommendation: no changes need to be made.
