1. Describe the portion of the proposed recommendation with which you disagree (e.g.) priority date, period of use, source):

I disagree with the proposed recommendation's statements regarding quantity, purposes of use, and places of use.

2. Describe the changes you wish to make in the proposed recommendation:

I wish to change the above portions of the proposed recommendation to match the statements in the Notice of Claim to a Water Right for this water right number.

3. Give a brief explanation as to why you disagree with these portions:

The proposed recommendation states that the quantity is 0.040 CFS, but the Notice of Claim states that it is 0.090 CFS. The Notice of Claim lists Recreation Storage as one of the purposes of use, but the proposed recommendation does not. The Notice of Claim lists Recreation Storage as one of the places of use, but the proposed recommendation does not. The proposed recommendation states that the quantity of water under this right for stockwater shall not exceed 13,000 gallons per day, but this restriction is not included in the Notice of Claim.

 I AGREE with this proposed recommendation: no changes need to be made.
