RE: Notice of Clerical Error in Subcase Nos. 73-12122 (Parkinson)

Dear Judge Wildman:

It has been brought to IDWR's attention that a clerical error exists on the Amended Partial Decree issued for Subcase No.73-12122 (Parkinson) on August 13, 2014. The Amended Director's Report filed on July 18, 2014, reflects the quantity of the water right as 0.02 cfs both in the Quantity and Purpose and Period of Use elements; however, the Partial Decree incorrectly lists a diversion rate of 0.20 cfs under the Purpose and Period of Use element.

The clerical error appears to have occurred during the issuance of the Partial Decree. Should you have any questions, please do not hesitate to contact me.

Sincerely,

A handwritten signature in blue ink, appearing to read "Meghan Carter", is written over the typed name.
