SUBJECT: Notice of Claim to a Water Right Number 94-4188

RESPONSE DEADLINE
DATE: September 30, 2015

Dear Mr. Getchius:

In regard to our phone conversation of Tuesday, September 8, 2015, in which we discussed the spring usage appurtenant to Notice of Claim number 94-4188. This is the stock water usage from the spring. You indicated that the claim has been recommended correctly but requested a copy of the map to verify the spring location and place of use. That map is enclosed.

Also enclosed is a blank Notice of Claim form should you wish to file an additional claim for another water source.

If you do find an error with the above claim, please be sure to respond by September 30, 2015 as this is the response deadline for claims filed in basin 94. I would recommend that you also submit any additional claims by this date so you can avoid having to complete a "Motion to File a Late Notice of Claim" with the Adjudication Court.

Please feel free to contact me if you have any questions. I can be reached at (208) 762-2802 or by email at linda.werner@idwr.idaho.gov.

Sincerely,

Linda A. Werner
Water Resource Agent, Sr.
