RE: Coeur d'Alene-Spokane River Basin Adjudication Claim No. 94-7697

Dear Mr. Smith:

I'm writing in regard to our telephone conversation of Wednesday, September 9, 2015, in which we discussed your Notice of Error reply stating that you need allocation for the irrigation of approximately 15 acres recently cleared.

The permit system for establishing a water right became mandatory for uses developed from ground water after March 25, 1963 (except for domestic purposes as defined by Section 42-111, Idaho Code), and for uses developed from surface water after May 20, 1971 (except for watering stock directly from streams).

An Application for Permit form with instructions is enclosed. You may also access the Application for Permit form as a "fillable" PDF file on IDWR's website under Water Right Forms at the URL shown below.

Please do not hesitate to contact me at (208) 762-2802 or by email at linda.werner@idwr.idaho.gov if you have any questions.

Sincerely,

Linda A. Werner
Water Resource Agent, Sr.
