SUBJECT: Notice of Claim to a Water Right Number 94-7330 and 94-7608

RESPONSE DUE DATE:
SEPTEMBER 17, 2015

Dear Ms. Mitchell:

I'm writing in regard to our phone conversation today in which we discussed the addition of Mr. Mitchell's name to claim number 94-7330, the number of diversions from Evans Creek and the place of use for irrigation.

I have completed an amended Notice of Claim form for 94-7330 which shows the addition of Mr. Mitchell's name and lists only one point of diversion from Evans Creek. I am also enclosing a map of the property showing where I understand the diversion points and water usage to be occurring. If everything is satisfactory on the claim form, all you need do is sign and date it under item 15. If there are any changes which need to be made on the map, simply draw in the corrected locations and return it with the amended Notice of Claim. I've also enclosed a copy of Notice of Claim number 94-7608, for informational purposes only.

Please return this information, to my attention, by the date shown above. Feel free to contact me if you have any questions or concerns.

Sincerely,

Linda A. Werner
Water Resource Agent, Sr.
