CHALLIS CREEK RANCH

Challis, J. R. & Patricia W.

Filing Supplement 972-16563

T14N, R18E, Section 3, NW¼ SE¼ NE¼, Spring Water Right Claim Filing

14. Remarks:

According to an aerial photograph of the ranch prior to the division of the two (2) twenty (20) acre parcels that now exist, any flow from the spring that occurred went solely to parts of T14N, R18E, Section 3, SE¼ SE¼ NE¼ and SW¼ SE¼ NE¼. (We have enclosed the best copy we could obtain of the two (2) foot square original photograph provided in 1990 by the United States Department of Agriculture, Agricultural Stabilization and Conservation Service. The original is available for your review upon request.) In the years following the sale of the second twenty (20) acre parcel sold in 1980, additional ditches were added to the original ranch property. One of these ditches may have received subbing and/or carried a very minimal volume of this spring flow to the east pasture and possibly to the then adjoining separate twenty (20) acre parcel but this could only have occurred if included with the other flows decreed to the original ranch property.

In 1995 while we were out of the country for over a month, the custodian we then hired to watch the property in our absence had some ditch cleaning done that inadvertently diverted the major portion of the flow going to those parts of T14N, R18E, Section 3, SE¼ SE¼ NE¼ and SW¼ SE¼ NE¼ receiving same prior. This has since been corrected and returned to allow that original flow. Other irrigation changes on the original ranch have alleviated any of those aforementioned decreed flows from now carrying any of the spring flow for any appreciable distance much less near or beyond our east pasture.

Though the flow varies proportional to runoff volume, generally there is a minimal flow even in the fall and winter enough to provide some stockwater year-round unless extreme cold results in a total freeze up. The total flow claimed is our best estimate of the maximum flow in a very, very good water year. On the average, flows would be less and, as a result, available in whatever amount the continually changing conditions dictate. In some low water and drought years we have experienced, this spring has dried up completely.

MOTION TO FILE A LATE NOTICE OF CLAIM

A Motion to File a Late Notice of Claim will require a hearing before the Presiding Judge.

- ☒ I did not file a Notice of claim to the use of water in the SRBA because:
WHEN WE FOUND OUT IN 1998 A NEIGHBOR HAD FILED ON .04 CFS FROM THIS
SPRING, IT WAS OBVIOUS TO US THEY COULD NOT GET THIS MINIMAL AMOUNT
(SHORT OF A MOST COST PROHIBITIVE PIPELINE) TO FLOW ACROSS OVER 60 ACRES
OF OUR LAND TO THEIR LAND. RATHER THAN MAKE A LITERAL COURT CASE
OUT OF .04 CFS, WE SIMPLY DECIDED TO MEASURE OUT THEIR CLAIMED
.04 CFS AND DIVERT THE ADDITIONAL FLOW TO OUR PROPERTY WHERE IT
HAS HISTORICALLY GONE. BECAUSE OF AN ONGOING DISAGREEMENT OVER
- ☐ ~~I filed a Notice of Claim and elected to defer judicial proceedings on my domestic or stock watering use. I desire to reinstate my Notice of Claim for domestic or stock watering use.~~
- THIS MATTER AND THEIR INABILITY TO FIND A SOLUTION, IDWR
RECENTLY RECOMMENDED WE SUBMIT THIS LATE CLAIM AND, BECAUSE
WE HAVE NEVER FELT IT WAS JUSTIFIED, AN OBJECTION TO
THE .04 CFS CLAIM WHICH WAS ALSO SUBMITTED THIS DATE.

Department of Water Resources

Dear Mr. Shaff:

Enclosed please find our check number 3571 in the amount of \$250.00 covering the Late Filing Fees for our Late Notice of Claim Nos. A72-16561, A72-16562, A72-16563, A72-16564 and A72-16565. Your letter of November 4, 1999, lists five (5) different numbers but I assume those are in error. If this is not the case, please let us know.

After discussing your letter of November 4th with Norm Semanko and advising him I had to be in Boise today anyway I told him I would try and see you on this matter while I was there. Unfortunately, I learned you were in Twin Falls. Sorry I missed you!

In any case, Norm suggested we advise that another party involved in this action was also advised by Ms. Jeanie Robertson that the subject late fees would be waived. Since we are now being required to pay these late fees we, of course, assume she must as well. Those Late Notices of Claim are A72-16559, A72-16560 and A72-16566. We would also question the late fees being applicable to a late revision filing on 72-10032.

Sincerely,
Challis Creek Ranch

A72-¹⁶12563, A72-¹⁶12564 and A72-¹⁶12565

Dear Mr. and Mrs. Challis:

Your Notices of Claim to a Water Right were received from the SRBA Court recently. Unfortunately, the agent who assisted you apparently failed to recall the contents of SRBA Administrative Order 1 issued by Judge Hurlbutt October 16, 1997, in that late fees in the amount of \$50.00 per claim for uses other than domestic and stockwater were due at filing. Please submit late fees in the amount of \$250.00 payable to IDWR and send the payment to my attention. You can ignore my e-mail to you of October 28, 1999, in which I inquired about the fees.

Upon receipt of the late fees, your Notices of Claim will be investigated and reported to the Court in a future supplemental Director's Report. Please contact me at 208/327-7932 if you have any questions.

Hi Jeannie. I spoke with Norm Semanko a few minutes ago about Jack Challis' objections to his own rights. Jack has decided to drop his objection to 72-16563, so, when the database gets up and running we'll print out an SF-5 describing the right as recommended. Additionally, however, Norm has a number of questions he'd like to go over with us regarding the three other Challis recommendations where Jack is the only objector. Norm'd like to meet in person. Is it possible that you might be able to come up to Boise for a settlement meeting with him and me at 10:00 a.m. on Tuesday, August 22nd? I checked your calendar on Outlook, and it looked like you had the day open, but I know that the reality of your schedule may be entirely different. Let me know what you think. Thanks. NBS

Custer County – Late Notices of Claim No. A72-12561, A72-12562,
A72-12563, A72-12564 and A72-12565

Dear Mr. and Mrs. Challis:

Your Notices of Claim to a Water Right were received from the SRBA Court recently. Unfortunately, the agent who assisted you apparently failed to recall the contents of SRBA Administrative Order 1 issued by Judge Hurlbutt October 16, 1997, in that late fees in the amount of \$50.00 per claim for uses other than domestic and stockwater were due at filing. Please submit late fees in the amount of \$250.00 payable to IDWR and send the payment to my attention. You can ignore my e-mail to you of October 28, 1999, in which I inquired about the fees.

Upon receipt of the late fees, your Notices of Claim will be investigated and reported to the Court in a future supplemental Director's Report. Please contact me at 208/327-7932 if you have any questions.
