14. Remarks:

Though the flow varies proportional to runoff volume, sometimes there is a minimal flow even in the fall and into the winter to provide some stockwater. Minimal irrigation benefit is limited to the pasture just north and down to Challis Creek. The total flow claimed is our best estimate of the maximum flow in a very, very good water year. On the average, flows would be less and, as a result, available in whatever amount the continually changing conditions dictated. In some low water and drought years we have experienced, this spring has dried up completely.

Department of Water Resources

Dear Mr. Shaff:

Enclosed please find our check number 3571 in the amount of \$250.00 covering the Late Filing Fees for our Late Notice of Claim Nos. A72-16561, A72-16562, A72-16563, A72-16564 and A72-16565. Your letter of November 4, 1999, lists five (5) different numbers but I assume those are in error. If this is not the case, please let us know.

After discussing your letter of November 4th with Norm Semanko and advising him I had to be in Boise today anyway I told him I would try and see you on this matter while I was there. Unfortunately, I learned you were in Twin Falls. Sorry I missed you!

In any case, Norm suggested we advise that another party involved in this action was also advised by Ms. Jeanie Robertson that the subject late fees would be waived. Since we are now being required to pay these late fees we, of course, assume she must as well. Those Late Notices of Claim are A72-16559, A72-16560 and A72-16566. We would also question the late fees being applicable to a late revision filing on 72-10032.

Sincerely,

Dear Mr. and Mrs. Challis:

Your Notices of Claim to a Water Right were received from the SRBA Court recently. Unfortunately, the agent who assisted you apparently failed to recall the contents of SRBA Administrative Order 1 issued by Judge Hurlbutt October 16, 1997, in that late fees in the amount of \$50.00 per claim for uses other than domestic and stockwater were due at filing. Please submit late fees in the amount of \$250.00 payable to IDWR and send the payment to my attention. You can ignore my e-mail to you of October 28, 1999, in which I inquired about the fees.

Upon receipt of the late fees, your Notices of Claim will be investigated and reported to the Court in a future supplemental Director's Report. Please contact me at 208/327-7932 if you have any questions.
