Filing Supplement A72-16565

T14N, R18E, Section 3, NE¼ SW¼, Spring Water Right Claim Filing

14. Remarks:

Flow varies proportional to runoff volume. Stockwater is normally available well into winter before freeze-up. Irrigation benefit is normally limited to spring and sometimes early summer before flow diminishes or sinks before reaching the irrigation ditch. The total flow claimed is our best estimate of the maximum flow in a very, very good water year. On the average, flows would be less and, as a result, available in whatever amount the continually changing conditions dictated. We have never seen this spring completely dry up though in low water or drought years flow is extremely minimal.

Filing Supplement *A72-16565*

T14N, R18E, Section 3, SE¼ SW¼, Spring Water Right Claim Filing

14. Remarks:

Flow varies proportional to runoff volume. Stockwater is normally available well into winter before freeze-up. Irrigation benefit is normally limited to spring and sometimes early summer before flow diminishes or sinks before reaching the irrigation ditch. The total flow claimed is our best estimate of the maximum flow in a very, very good water year. On the average, flows would be less and, as a result, available in whatever amount the continually changing conditions dictated. We have never seen this spring completely dry up though in low water or drought years flow is extremely minimal.

Department of Water Resources

Dear Mr. Shaff:

Enclosed please find our check number 3571 in the amount of \$250.00 covering the Late Filing Fees for our Late Notice of Claim Nos. A72-16561, A72-16562, A72-16563, A72-16564 and A72-16565. Your letter of November 4, 1999, lists five (5) different numbers but I assume those are in error. If this is not the case, please let us know.

After discussing your letter of November 4th with Norm Semanko and advising him I had to be in Boise today anyway I told him I would try and see you on this matter while I was there. Unfortunately, I learned you were in Twin Falls. Sorry I missed you!

In any case, Norm suggested we advise that another party involved in this action was also advised by Ms. Jeanie Robertson that the subject late fees would be waived. Since we are now being required to pay these late fees we, of course, assume she must as well. Those Late Notices of Claim are A72-16559, A72-16560 and A72-16566. We would also question the late fees being applicable to a late revision filing on 72-10032.

Sincerely,
Challis Creek Ranch

Dear Mr. and Mrs. Challis:

Your Notices of Claim to a Water Right were received from the SRBA Court recently. Crystal from Rosholt's office called wanting to amend the above claim filed Nov 1999. She said their client wanted to correct the point of diversion so that it was not on BLM land, and change the source from Spring to Unnamed Stream. She said that she had discussed this with Kelly yesterday, and he had said that Agent Jeanie Robertson was discussing these claims with the claimant at the hearings in Challis this week. She told me today that they had found that this claim was not included in those discussions.

I told Crystal that Jeanie would be back in the office tomorrow, and that I was going to refer this matter to her. I said that she was very knowledgeable about Mr. Challis's claims and that it would be better to have her involved in any amendments. I said it was also possible that she had already discussed this claim with Mr. Challis. I emphasized that Jeanie routinely addressed issues in a timely manner, and so even though they were anxious to amend the claim and avoid a BLM objection to it, the value of having Jeanie involved would far out-weigh the short delay in time.

Dear Mr. Shaff:

We received your E-mail yesterday regarding the payments we made for four (4) late filings you advise the Court had forwarded to you for processing. First, please be advised there should have been five (5) late filings, Subcases 72-16561, 72-16562, 72-16563, 72-16564 and 72-16565 (please find enclosed a copy of the ORDER GRANTING MOTIONS TO FILE LATE CLAIMS dated October 22, 1999, signed by R. Second, with regard to your question of the amount paid, this amount was specifically stipulated to us by Ms. Jeanie Robertson, Senior Water Resource Agent, Southern Region Office, Twin Falls, when these late claims were filed. In short, we paid what we were then advised to pay by the Department.

If there are any questions or I can answer anything additional, please let me know.

Dear Mr. Shaff:

We received your E-mail yesterday regarding the payments we made for four (4) late filings you advise the Court had forwarded to you for processing. First, please be advised there should have been five (5) late filings, Subcases 72-16561, 72-16562, 72-16563, 72-16564 and 72-16565 (please find enclosed a copy of the ORDER GRANTING MOTIONS TO FILE LATE CLAIMS dated October 22, 1999, signed by R. BARRY WOOD, District Court Judge).

Second, with regard to your question of the amount paid, this amount was specifically stipulated to us by Ms. Jeanie Robertson, Senior Water Resource Agent, Southern Region Office, Twin Falls, when these late claims were filed. In short, we paid what we were then advised to pay by the Department.

If there are any questions or I can answer anything additional, please let me know.

Sincerely,
Challis Creek Ranch

J. R. Challis
