COMMUNICATION DOCUMENTATION

This form is to be used to document public record information requests regarding any SRBA claim or claims. The form may also be used to document IDWR communications requesting information regarding any SRBA claim or claims when the request is not made in writing or the claim verification report is not readily available to document the request. This form is to be filed in all relevant claim files or a central office file.

MORGANROTH

He called to remind me of the hearing on Friday and asked what we are going to do... I told him I have not been able to go over the info submitted to me at the hearings in Challis. I thought it would be part of the review later this spring when I do my exam at Morganroth's place. It is clear there have been substantial changes from the system I viewed in 1993 to what is represented by the BLM notes and shapefiles in the file. I told him I will contact Nick and tell him of my position.
