COMMUNICATION DOCUMENTATION

He called to remind me of the hearing on Friday and asked what we are going to do... I told him I have not been able to go over the info submitted to me at the hearings in Challis. I thought it would be part of the review later this spring when I do my exam at Morganroth's place. It is clear there have been substantial changes from the system I viewed in 1993 to what is represented by the BLM notes and shapefiles in the file. I told him I will contact Nick and tell him of my position.
