Re: 95-4212 – \$50.00 late fee due
95-14173 and 95-14203 – Ownership Change

Dear Mr. Toedter:

In order to process 95-4212, a \$50.00 late fee is required as it was after the 2013 deadline and is a non-domestic claim (Irrigation).

"Notice of Change in Water Right Ownership" form is enclosed for 95-14173 and 95-14203. Please complete and return to our office.

Questions regarding the late fee may be directed to our Water Right Manager, Chad Goodwin.

Sincerely,

Carolyn Monitz
Technical Records Clerk
