A45-02287, A45-10020, A45-10022
He bought these rights from his parents so we did an Ownership Change on them. Copy of Warranty Deed submitted.

A45-02623, A45-10024, A45-10025, A45-10145
He did address changes on these.

A45-10021
He indicated that this one had been sold to someone else so I gave him a C/O form to give to the new owners.

A45-02623
Wondered what he might do to this right to better preserve the diversion amount, as he also has canal shares on the property now. The License on which this was based was for more acres than was claimed, however, the claim represented what was happening at the time of the commencement. Told him his options of filing a transfer to identify a PPP or amend the claim. He will ponder and maybe get back to us...
