SUBJECT: Notice of Error Reply to Notice of Claim to a Water Right Number 94-8514

RESPONSE DUE DATE:
OCTOBER 10, 2015

Dear Mr. or Ms. Marsan

I'm writing in regard to the Notice of Error referenced above in which you stated that our proposed recommendation, which is for domestic usage from a well, should include the outbuildings, as it appears the water right is for home usage only.

Domestic usage does normally include in-house usage and ½ acre or less of lawn or garden irrigation but it can also include the other areas of your property where the water usage is taking place. So, if there is water plumbed into any other buildings they may be included in the water right.

I've enclosed a copy of the map showing our recommendation of the place of use. If we need to expand the area of usage, please show on this map what needs to be included. Be sure to return this information, to my attention, by the date shown above so we can complete this recommendation on a timely basis. Feel free to contact me at (208) 762-2800 if you have any questions.

Sincerely,

Linda A. Werner
Water Resource Agent, Sr.
