MEMORANDUM

TO: Files
FROM: Steve Lester *SL*
DATE: June 20, 2000

RE: Boise Project Board of Control Water Right & SRBA Filings

Ken Henley is the project manager. He filed 16 applications for permit on May 1, 2000. Each application described a well for a D/1 use. Initial review and discussions with Henley revealed that five wells were involved for existing "community uses" related to project operations.

Each well served some combination of homes, offices, shops and minor landscaping since well construction occurred. Each well was recorded in the SRBA as a D/1 use. Five partial decrees resulted. The Boise Project overlooked the additional units per well when originally filing the SRBA claims. Henley is concerned that each system does not become limited to just an exempted use, which is why the 16 applications were submitted.

Four of the wells and community uses occurred before 1963. Fourteen of the applications can be replaced with four beneficial use SRBA claims. The claims are "add-ons" to D/1 decreed rights. I assume that SRBA late fees do not apply to the oversight in filing on uses overlooked earlier in the process.

The fifth well was constructed in 1964. The community uses in this case do not qualify for a SRBA beneficial use claim. This well, located south of the canal in Section 26, serves a total of three units. But one home is already covered by 63-22099. Two applications for permit, each for .04 cfs to serve a single unit, were combined into one application for .08 cfs to serve two units. See today's amended application. The amended application does not increase the use originally shown in the two applications, and the priority date should remain as May 1, 2000. The application includes .06 cfs for D/2 internal use plus .02 cfs for up to ½ acre of landscaping.

Here is a tabular summary of the filings that replace the 16 applications. As noted, two applications were folded into one, while the other 14 were condensed into four additional SRBA claims.

Location	Use began	Total units	D/1 Decree	Need to cover	Fee
S. 26 north	1950	D/5	63-22102	D/4 via SRBA	\$60
S. 26 south	1964	D/3	63-22099	D/2 via APPL	\$50
S. 19	1948	D/6	63-23850	D/5 via SRBA	\$61
S. 17	1958	D/3	63-23851	D/2 via SRBA	\$56
S. 23	1948	D/4	63-23845	D/3 via SRBA	\$58

Total fees paid in Receipt C048986	\$800
Apply to \$ SRBA Claims	\$235
Retain for Application for Permit	<u>\$ 50</u>
Issue Refund	\$515

✓ Copies of this memo appear with the four new SRBA claims. A copy is forwarded to S.O. for the refund.
