CUSTOMER
Yost, Kenneth

SUBJECT: 45-10620, -11027

phone call (.) walk-in (x)

He is the president of K&G, Inc., and he is also the father of Merlin Yost, who is the vice-president of the operation. Kenneth came in regarding the letter(s) they rcvd. about any changes to their claims. Kenneth says the 2 wells on each property are now tied together. This happened approximately 4-5 years ago. The herd today consists of 200 milkers and 250 dry. They want to increase cows (another 200-300 head). Running a dairy program the total diversion volume = 12.6 ac. ft. * $\frac{325,850 \text{ gal}}{365 \text{ day/yr}} = 11,248 \text{ gal/day}$

We discussed that their amount is under the 13K limit (focusing on the 13K limit for both wells). We also discussed that the elements on each claim has now changed and that a transfer would be appropriate. He departed saying he would need to talk to the son.
