

10/20/2015

Please Note:

1) Property was purchased using
IRS 1031 Reverse Exchange.

TFES 559, LLC was used to accommodate
purchase - That is why two deeds
are enclosed. We took title on 27%
on 10/20/2014, then we took title on
the remaining 73% on 5/11/2015.

2) There was an error in the property
description so Deeds had to be
re-recorded.
