1. Describe the portion of the proposed recommendation with which you disagree (e.g. priority date, period of use, source):

We disagree with the priority date of 1/1/1988. This property has been privately owned since the ~~1930s~~ 1930s, and has had a well since 1943. We had the well re-dug a few feet from the previous well. The well has been continuously in use since inception.

2. Describe the changes you wish to make in the proposed recommendation:

We would like the priority date to be April 1943.

3. Give a brief explanation as to why you disagree with these portions:

Please see above and the accompanying affidavit from Carol Cannaday.

☒ I AGREE with this proposed recommendation: no changes need to be made.

Affidavit from Carol Cannaday**

To Whom It May Concern:

This letter is to verify water usage at the property owned by Paul and Susan Mitchell, 35695 E Canyon Rd, Cataldo, ID 83810.

I was born in Cataldo in 1934 and have lived here my entire life.

This property was originally owned by Jim and Rowena Regan. As a child, I visited and played there with the Regan children. I remember when the well was put in, in April 1943. This well has been in continuous usage since then. Clifford and Irene Robinson purchased the land from the Regan's and owned it until 1980 when it was purchased by Paul and Susan Mitchell.

Sincerely,

**Carol Cannaday
