RE: Notice of Error Reply for Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim No. 94-8024

Dear Claimant(s),

The Idaho Department of Water Resources has reviewed the Notice of Error Reply for the above referenced water right claim. We are unable to make the requested changes to the water right claim recommendation for the following reasons.

The Notice of Claim to a Water Right dated September 23, 2010 was filed on the basis of beneficial use for four households with a claimed priority date of March 30, 1974. Due to the fact that these four homes are all diverting water from two shared wells, the priority date recommended for the water right claim is required to be the date the last home was completed and connected to the water system. Kootenai County tax lot records for parcel number 49N01E337200 show the year built as 1988 and that is why your claim received that priority date.

If you have any questions, please contact our staff at the Northern Regional Office during business hours at 208-762-2800.

Sincerely,

A handwritten signature in black ink, appearing to read 'Evan W. Roda'.
