RE: Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim No. 95-8895

Dear Claimant(s),

The Idaho Department of Water Resources has received the Notice of Change in Water Right Ownership form you submitted for Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim Nos. 95-209, 95-8895, and 95-14646. The ownership of the three claims has been updated accordingly. Adjudication claim number 95-8895 is currently incomplete and cannot be recommended at this time for the following reason.

The Notice of Claim to a Water Right for claim number 95-8895 was filed based on a previously issued water right license. The claim form submitted (42-1409-1) was left partially incomplete, and the required filing fee for the claim was never paid. Before this water right claim can be recommended to the court, an amended claim form must be submitted with the appropriate filing fee.

For your convenience, I am sending you an Amended CSRBA Notice of Claim to a Water Right for Claim No. 95-8895 with the previously incomplete portions filled in. Please review the claim form, and if you wish to make any further changes, initial those changes before signing the claim. After your review, return the signed claim form along with the required **\$51.00** filing fee to our office at the address listed above. If the amended claim form and filing fee are not submitted, this claim will be deemed invalid and disallowed, which will also void the current license from which the claim is based upon following the conclusion of the CSRBA.

Please do not hesitate to contact me if you have any questions. I can be reached by phone during business hours at 208-762-2800 or by email at evan.roda@idwr.idaho.gov.

Best Regards,

Evan W. Roda
