SUBJECT: Notice of Error Reply to Notice of Claim Number 94-7416

RESPONSE DUE DATE:
NOVEMBER 13, 2015

Dear Mr. or Mrs. Bissell:

I'm writing in regard to the Notice of Error reply received from you regarding the above Notice of Claim to a Water Right. This is the claim, based on licensed right 94-7416, issued for 3.0 acres of irrigation.

In your notice of error reply you indicated that you would like to change the purpose of use from irrigation to domestic. Consequently, I have enclosed a "pre-completed" Notice of Claim to a Water Right form showing a water usage of domestic and stockwater at a quantity of 0.04 cubic feet per second (cfs) for domestic usage and 0.02 cfs for stock water usage, which is how you requested we make the change.

This Notice of Claim would be based on beneficial use, unlike right number 94-7416 for irrigation, which is based on a licensed water right. If you would review this claim for accuracy, make any necessary changes, then sign and date under item sixteen. We will take the fee you paid for the original Notice of Claim, apply it to the new beneficial use claim, and then status the licensed right (94-7416) as "unclaimed in the adjudication".

Also enclosed is a map of your property. Please show on the map where the well is located and where the place of use is for the domestic and stockwater usage, and return this map with the Notice of Claim, to my attention. Your response by the due date indicated above will ensure we complete our recommendation on a timely basis.

If you have any questions please feel free to contact me. I can be reached at (208) 762-2802 or by email at linda.werner@idwr.idaho.gov.

Sincerely,

Linda A. Werner
Water Resource Agent, Sr.
