RE: Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim No. 95-14953

Dear Claimant(s):

The Idaho Department of Water Resources has received the Notice of Claim to a Water Right form you submitted for Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim No. 95-14953. Before the recommendation is completed for this claim, I want to advise you of the potential options for your claim.

The Notice of Claim to a Water Right for claim number 95-14953 was filed based on the beneficial use of water within a camping resort with a claimed priority date of January 1, 1969. The water used within the camping resort constitutes a commercial use and can only be recommended under Section 42-111(1)(b), Idaho Code, which allows for a maximum diversion rate to 0.04 CFS and a maximum diversion volume of 2,500 gallons per day. The irrigation under this right would also be limited to ½ acre. Through my research of this claim, I discovered a previously issued water right license for your property that has not yet been claimed upon. Water right license number 95-8898 was originally issued to the Coeur d'Alene KOA with a priority date of February 24, 1995 and includes the commercial water use on the property as well as the irrigation of 8.0 acres.

If you wish, you may amend your current claim to match the use dictated by the previously issued license. This amendment will change your priority date, but will also allow for the use of significantly more water. The use and quantity claimed from this license will require an additional \$38.00 of filing fees after applying the \$25.00 you have already paid. If you need assistance with the amended claim, you can schedule an appointment with me in my office and I will be happy to help.

PLEASE NOTE: If the amended claim form and filing fee are not submitted, this claim will be recommended as described above for 2,500 gallons a day and ½ acre of irrigation.

Do not hesitate to contact me if you have any questions. I can be reached by phone during business hours at 208-762-2800 or by email at [evan.roda@idwr.idaho.gov](mailto:evan.roda@idwr.idaho.gov).
