RE: Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim No. 95-9083

Dear Claimant(s),

The Idaho Department of Water Resources has received your Notice of Claim to a Water Right for Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim No. 95-9083. We are unable to recommend your adjudication claim at this time for the following reason.

The Notice of Claim to a Water Right identified with the number shown above has been filed for the irrigation of up to 1/2 acre based on a previously issued license. The claim form submitted (42-1409-2) is only to be utilized for domestic and stockwater purposes. Water right claims for irrigation uses must be submitted on claim form 42-1409-1. Claims for irrigation purposes also require the payment of a \$50.00 flat fee plus additional variable fee based on acres irrigated.

I am sending you the appropriate CSRBA Notice of Claim to a Water Right form to amend Claim No. 95-9083. Please fill out the claim form, utilizing the enclosed water right license for reference. A parcel map is also included with the water right claim form so you can mark on the map where all irrigation is taking place. An additional **\$26.00** will be required for this claim, after crediting the \$25.00 you have already paid. After your review, return the signed claim form along with the marked location map and filing fee to our office at the address listed above.

Please do not hesitate to contact me if you have any questions. I can be reached by phone during business hours at 208-762-2800 or by email at evan.roda@idwr.idaho.gov.

Best Regards,
