RE: Domestic and/or Stockwater Rights in Basins 41, 43 and 45
Snake River Basin Adjudication (SRBA)

Dear Water Right Claimant(s):

Please find enclosed the Idaho Department of Water Resources recommendations for your domestic and/or stockwater water right(s) in basins 41, 43 and 45. We have also enclosed instructions for reviewing (1) your recommended water right(s), and (2) other recommended domestic and stockwater right(s) in your area. Water rights for irrigation and other purposes in these basins will be recommended in a later process.

Note that you have 120 days in which to file any objection to our recommendation and to review the domestic and stockwater water rights of other claimants, including those of the United States. Information on the other water rights can be found at the county courthouses in American Falls, Malad City, Burley and Twin Falls, and at all of the Idaho Department of Water Resources offices (see addresses in enclosure).

If the Court does not receive an objection from you about our recommendation, and no other party objects to your water right, your water right will be decreed later this year as recommended. You will receive your decree from the SRBA Court.

Completion of the SRBA is important for the future of water management in Idaho. We invite you to contact our regional offices with any questions that you have about your water right(s) or this adjudication process.

Sincerely,

Karl J. Dreher
Director
