Address Change on Claims A45-02216A and A45-10039

Dear Claimant:

Thank you for informing us of the change in ownership of the above-referenced water right. I am returning the ownership change form to you; before we can process it, we need your assistance.

IDWR is preparing to recommend this claim as disallowed due to statements made by the prior owner as to the well not being in use at the time the claim was filed. If you have used the water from the well, please tell us when the water use began again.

Item 2 on the ownership change form must be completed. At the bottom of the form you wrote you irrigate 80 acres. Claim #A45-10133 is for domestic use only. (Please refer to enclosed Adjudication Profile Report.) If you irrigate 80 acres at this location, do you do so from canal company water? If that is the case, please cross out the 80 acres you wrote and initial your change. ✓

At Item 4, you wrote only your name; your other two claims have Wanda L. Sievers as co-owner. If you want Wanda's name to be included on A45-10133, please write her name also at Item 4 and have her sign below your name at Item 7. ✓

At Item 5, you wrote you acquired the property on January 24, 1955, but the former owner claimed it December 27, 1988. Did you intend to write 1995 instead? If so, please cross out 1955, write in the correct acquisition date and initial your change. ✓

Upon receipt of the completed ownership change form, our records will be changed and a claim will be printed and sent to you for your review and records.
