RE: Proof of Priority

DATE 3-22-93 (1AM)

NAME OF PARTY

TED MASON of MASON CATTLE Co.

He came in to the office to submit proof of priority information.

We used OPR CC25 to locate the wells in question and found all three claims as claimed on the map.

Mr. Mason told me they use no wells for irrigation, all irrigation is from Dry Creek or Martaukha Lake.

A45-0432 in S. 25 SESESE Non use of this well begun in 1963. Pump has been removed but power service is still at the site.

A45-04121 in S. 25 SE NESE Converted from irrigation well to Domestic well uses in December 1992. pump changed to 3HP for 250 Head stock cows.

SEE CLAIM A45-10095

A45-04074 unnamed stream use is from waste water created by Coiner irrigation wells; limited access to water and coiner has cut off their supply by changing ditches.

MICROFILMED
OCT 27 1994

* Appears all these claims have been forfeited or abandoned. Questionable uses are supported by incomplete proof of priority documentation.

I told Mr. Mason it appears these rights have been forfeited and ceased to exist. I ask him to submit more info and gave him affidavit blanks. sec
