RE: Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim No. 95-14919

Dear Claimant(s),

The Idaho Department of Water Resources has received your Notice of Claim to a Water Right for Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim No. 95-14919. We are unable to recommend your adjudication claim to the full extent requested for the following reason.

The Notice of Claim to a Water Right identified with the number shown above has been filed for the year round domestic use of water from Coeur d'Alene Lake with a claimed priority date of April 1, 1969. The signed statement submitted as evidence of this priority date describes the water use beginning in 1969, but also states the seasonal nature of the water use during the summers. Although a year round use was claimed for this right, based on the evidence provided, the period of use recommended for this claim will be limited to March 15 through October 15. If year round use of the water began upon completion of your cabin in 1975 and you want to secure a right for that use, you will need to file an additional Notice of Claim to a Water Right in the CSRBA.

If you do choose to file an additional claim for the year round domestic use of water, the priority date will be when that year round use first began, such as when the cabin was completed in 1975. As this priority date falls beyond the mandatory surface water permit statute date of May 20, 1971, you will need to describe the additional claim as an **Enlargement of Claim No. 95-14919** in the "Remarks" portion of the claim form (Section 13). An additional **\$25.00** filing fee will also be required for the new claim. If the seasonal nature of your water use is accurate and you do not wish to file an additional water right claim, you may disregard this letter as your previous claim is sufficient for that purpose.

Please do not hesitate to contact me if you have any questions. If additional assistance is needed, you may also schedule an appointment to meet with me in our Coeur d'Alene office. I can be reached by phone during business hours at 208-762-2800 or by email at evan.roda@idwr.idaho.gov.
