Dear Ms. Hancock

I'm unsure of what the
exclusion claim is. I would
appreciate it if you would fill
that in.

I put 2.5 acres for irrigation
however this will not be irrigated with
the well, but water rights from the
midair lowlift water district

If you need any additional information
please don't hesitate to contact me.

Thanks for all your help.

Sincerely
Kurt W.

RE: Snake River Basin Adjudication (SRBA)
Claim Numbers: 45-10451 / 45-10452

Dear Claimants:

We are in receipt of your Notice of Change of Water Right Ownership. In investigating this change, however, I believe that you may be attempting to change the ownership of the wrong claim.

Please see the enclosed Profile Reports, and copy of the Government Lot Index for Township 11 South, Range 20 East. According to your Warranty Deed, the property conveyed to you by Farnum and Irene Warr lies in Lot 1 of Section 1, Township 11 South, Range 20 East. This would be in the NE 1/4 of the NE 1/4 of Section 1. The water right claim that you listed on your Notice of Change of Water Right Ownership, 45-10452, is appurtenant to land in the NW 1/4 of the NE 1/4 of Section 1, not matching your Warranty Deed. Water right claim number 45-10451, also currently in the name of Farnum Warr, is, however, in the NE 1/4 NE 1/4 of Section 1. Is it possible that this is the water right claim that you wish to change into your name? Please be aware that water rights in Idaho remain appurtenant to the land for which they were licensed or permitted.

Please review the enclosed documents. I am also enclosing a current version of our Notice of Change of Water Right Ownership. If you wish to change the water right claim number listed on the Notice, please do so on our current form, complete the form, and return it to me in the enclosed envelope. If you have further questions, please contact me at this office.

Sincerely,

Vikie Hancock
