RE: POD location for Claim 95-2204

Dear Claimant,

The Department of Water Resources has received your Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim. We are unable to recommend your Adjudication Claim at this time for the following reason.

The Notice of Claim to a Water Right identified with the number shown above has been filed for the domestic use of spring water based on a previously issued license. The information provided does not include a detailed location of your point of diversion (POD). I have enclosed a parcel map of what I believe to be your property. Please mark the map with the approximate location of your spring box (POD) and return it to our office at the address listed above. We will move forward with the recommendation of your CSRBA Water Right Claim once provided sufficient evidence of the POD location. Please submit the required evidence within 30 days, referencing all documents with the corresponding claim number.

If you have any questions or concerns, do not hesitate to contact our office and we will be happy to help. I can be reached by phone during business hours at 208-762-2800 or by email at evan.roda@idwr.idaho.gov.

Best Regards,
