Claim Number 45-11023

Dear Claimants:

I received your faxed documents yesterday, however, before the department can change current ownership of the property to which the above referenced water right is appurtenant, I need additional information.

First, we must have a recorded document or title insurance policy with an attached legal description conveying the property to you from Burgess. The Closing Statement you provided does not meet our requirements. Also, according to the Closing Statement you provided, the Burgess's sold the property to Newworld Development Corporation, of which Rockland Judd is listed as president. Unless you have a deed of conveyance from Newworld to Rockland and Ellen Judd, we must list Newworld Development Corporation as the current owner of the water right.

Thank you for your participation in the SRBA. Enclosed please find a self-addressed envelope for your convenience. If I can be of further assistance, please let me know.
