MEMORANDUM

To: Adjudication Staff
From: Scott King 
Date: July 9, 1998

Subject: Well, possibly part of A45-11965

I have located a well which is not included in the adjudication or water rights databases under a claim or right. The well is located southeast of the 600W 500S intersection, south of Burley. Location with GPS places the well at 11S 22E 18 SESESE. Plotting shows it's only about 7 meters north of the section line, and about 5 meters south of the 500S roadway.

The diversion has been assigned site tag number A0005249.

Idaho Power records show Stanley Bingham is paying the electric bill. It may be possible that this diversion should be included with A45-11965 (Max W Bingham & Sons).
