RE: Ownership of Water Right 91-7048

Dear Mr. Moline:

We have been advised that you may be the current owner of the Benewah County Parcel Numbers RP001000100050 and RP001000100060, and the water right referenced above.

When a change of ownership involving a water right occurs, a Notice of Change in Water Right Ownership form is required. I have enclosed a copy of this form for your convenience.

This water right originally covered two homes, but the current claim only covers one home. This can be amended to the original license if that is what you would like to accomplish. Please contact me as soon as possible for more information on this matter.

Please return the completed form along with the required support documentation to my attention. I will be happy to update our records upon receipt of this information. This water right is currently involved in the Coeur d'Alene-Spokane River Basin Adjudication. There has been an objection filed against the claim filed by your predecessor in interest and several appearances before the Court have already been held. **You must contact the Department by March 22nd or you could lose your water right.**

If you have any questions regarding this matter, please call me at 208-762-2800 or Meghan Carter, Deputy Attorney General, in our Boise office at 208-287-4810.

Sincerely,

Chad H Goodwin
Water Rights Supervisor
