RE: Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim No. 95-8677

Dear Claimant(s),

The Idaho Department of Water Resources has received your Notice of Claim to a Water Right for Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim No. 95-8677. We are unable to recommend your adjudication claim at this time for the following reason.

The Notice of Claim to a Water Right identified with the number shown above has been filed for the domestic use of water from Coeur D'Alene Lake based on a previously issued license. The license you claimed upon is not appurtenant to the property you own, but rather a neighboring parcel. With a home first built on your property in 1960, you may still have a valid water right claim based upon the beneficial use of that water source.

For your convenience, I am sending you an amended Notice of Claim to a Water Right form with the sections filled in using your previously submitted claim. Please review the claim form, and if you wish to make any further changes, initial those changes before signing the claim. After your review, return the signed claim form to our office at the address listed above. **If the amended claim form is not submitted, this claim will be deemed invalid and recommended to the Court as disallowed.**

Please do not hesitate to contact me if you have any questions. I can be reached by phone during business hours at 208-762-2800 or by email at evan.roda@idwr.idaho.gov.

Best Regards,

Evan W. Roda
