Re: Amended Request for Correction of Error of Partial Decree for Water Right Nos.
29-7423 (Kerley AG Products Inc.), 29-10092 (Collins), and 29-12587 (BLM)

Dear Clerk:

On April 2, 2015, IDWR submitted to the Court a Request for Correction of Error regarding the partial decrees of water right nos. 29-7423, 29-10092, and 29-12587 to correct errors in county designation ("Original Request"). A BLM review of the Original Request revealed discrepancies, beyond the correction of the county errors, between the original 1998 Partial Decrees and the Proposed Correction to Partial Decree 29-10092 and Proposed Correction to Partial Decree 29-12587. IDWR examined these discrepancies and discovered the changes were unintentional, and none of the discrepancies were identified by underscore or overstrike on either Proposed Correction.

To avoid any possible confusion, IDWR is submitting this Amended Request for Correction of Error regarding the partial decrees for water right nos. 29-7423, 29-10092, and 29-12587, requesting correction of the county designation errors, and only the county designation errors ("Amended Request"). The inadvertent discrepancies contained in the Proposed Corrections of the Original Request have been addressed by restoring the original information from the 1998 Partial Decrees in the Amended Proposed Correction to Partial Decree 29-10092 and Amended Proposed Correction to Partial Decree 29-12587. These Amended Proposed Corrections are attached to the Amended Request. The Proposed Correction to Partial Decree 29-7423 included in the Original Request did not need revision and is attached to the Amended Request without change.
